

## Hydroponic Farmer Application

Dear Farmer,

Thank you for your enthusiasm in joining the [The Future Farmer Project](#) (TFFP). We are energized to embark on this journey alongside 12 world-class farmers, collaborating to expand the adoption of hydroponic farming and grow high-quality, fresh foods for our communities. Your commitment to this endeavor humbles us, and together, we will pioneer the future where innovative, tech-enabled farming practices make food more accessible for all.

The TFFP application process includes the following steps:

1. Fill out the eligibility screening and application form provided.
2. Upon invitation, participate in screening and final interviews.
3. Upon invitation, receive a preliminary offer letter to join the TFFP.
4. Complete necessary forms (NRCS-CPA-5, AD-106, AD-2047), obtain or share your Farm ID, and certify your work eligibility.
5. Begin growing with us!
